Beautifully remodeled condo in the desirable Sequoia Bay-View Condominiums! This home was remodeled approximately 3 years ago and features new flooring, new energy efficient appliances, granite countertops in kitchen, and spacious kitchen cabinets. Step outside the kitchen with your morning cup of coffee on the patio while enjoying a peak of the ocean. Upstairs you will find the master bedroom with a wall to wall closet complete with closet organizer and a second bedroom with a balcony, built in desk area, closet organizer and view of the ocean. Unit also includes indoor laundry room with washer and dryer included. The single car garage has extra room for storage as well as plenty of storage space throughout home. This home is move-in ready, call your realtor today to view!
